CHIEVO IS BACK

UNA RINASCITA CHE PARTE DAL CUORE

On May 10th, 2024, ChievoVerona chose to write a new chapter in its history. After years of challenges and achievements, the Club returned to the Italian football scene with renewed energy and ambition.

This new beginning is built on a clear vision, a determined ownership and the endorsement of an iconic figure: Sergio Pellissier, former captain and now Honorary President of ChievoVerona.

ChievoVerona is more than a football club. It is a story deeply rooted in identity and tradition, blending creativity, passion and ambition.

A sporting and cultural heritage that deserved to rise again – and that now looks to the future with confidence and courage.
